A new website for Sisterhood Planet.

Prepared for Janet by Eric Berg, Crush

01 Welcome

02 The planet

03 Gatherings

Your number

$2,200

Paid once.

Half at go, half at launch

$1,100 when you say go, $1,100 when your site is live.

Built within a week

of your go. You see every page before anything goes live.

Yours to keep

Site and files in your name.

What we built it around.

Welcome! I'm so happy you're here!

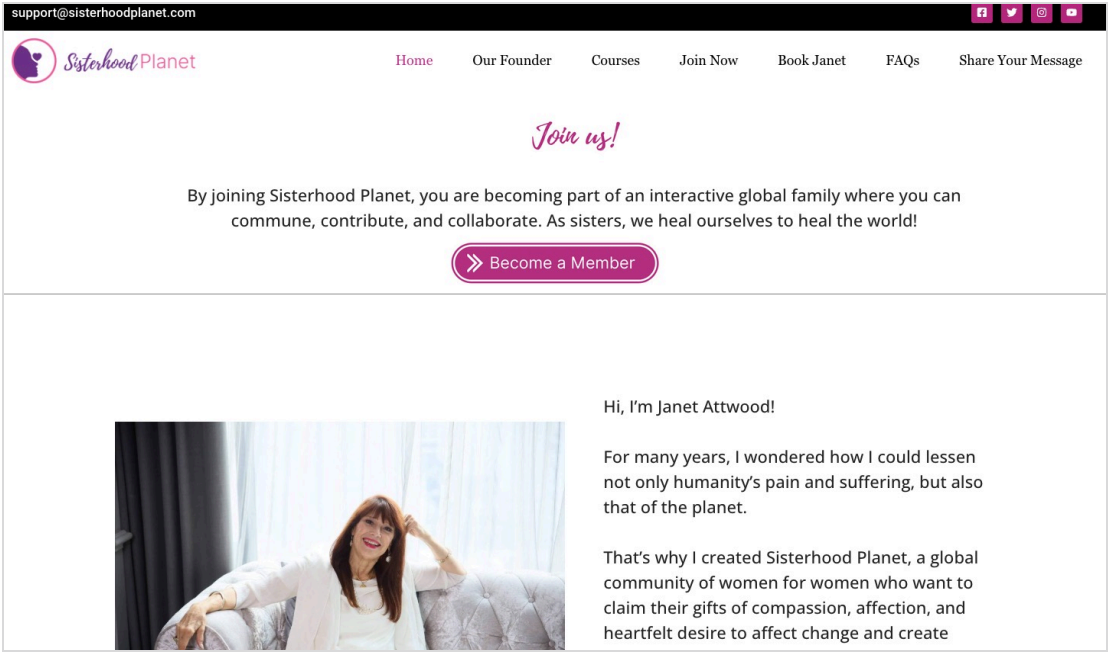

Your own words to new sisters. Option 1 stays in your purple and pink: you on the lilac sofa inside your logo's ring, with Welcome! written across it and your signature beside the way in.

A global community of women for women.

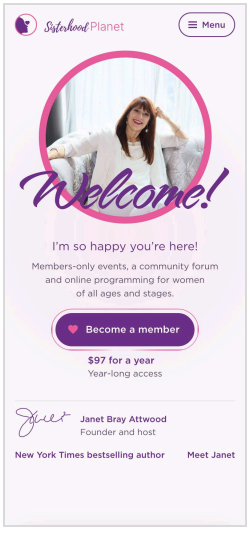

Also your words. Option 2 is light and open: the planet drawn as an engraved globe, with Eva, Lety and Rossana pinned where they live and their own words turning beside it.

Deep conversations with heart-centered sisters.

Your Gatherings. Option 3 is evening: the woman in your logo drawn twice, two sisters face to face, with your logo's heart glowing gold between them.

Today

New, on a phone

All in the price of your website.

The website

A new site for Sisterhood Planet: the homepage, what membership includes, the Gatherings and master classes, Janet's story, your courses, what members say in their own words, and a clear path to join, built out from the top you've just seen. Built within a week of your go.

An animated promo

A short animated video made from your own photos and words, sized for Instagram, Facebook and anywhere else you post.

A designed email

Designed and written for your members and your list, so the women who already know Janet hear about the new site, the next Gathering and what's coming from you first.

Twelve ads

Twelve graphics for your own channels (email, socials, site banners), each sized for feeds and stories, with moving versions of the best four.

A front desk

First month on us

From Hire Whoever, our sister company: a voice assistant that answers women calling to ask about membership, Gatherings and courses, and every call becomes a short written record.

Unlimited small changes

For the first 30 days, anything you send is live the next business day. After that, small changes stay free: a price, a photo, your hours, a line of text. Text or email it and it's done within the week.

Launch email setup

Included when you say go before 3 December 2026

We set up the launch email and line it up for your list, ready to go out on launch day.

$2,200, paid once. Nothing that comes with it is billed separately. All prices in US dollars.

Built within a week of your go.

Day 0

You say go

You pay the 50% deposit and give us access to your domain and current site. Your live site won't change until you say.

Days 1 to 7

We finish the site

We build these pages into your full site. You see every page in a preview before anything goes live.

Launch

It goes live

The new site goes live on your domain, and the promo and launch email are ready to go out with it.

After launch

Changes, on us

For 30 days, anything you send is live the next business day. Small changes stay free after that.

Launch day depends on you too: the sooner your answers and approvals come back, the sooner it's live. If we're ever the hold-up, your first three months of Steady, our monthly care plan, are on us.

"As a business owner, having someone you can trust with your website is invaluable, and Eric has absolutely earned that trust."

Midwest Peps, online store, Kansas

"We weren't planning to rebuild the website for our cafe, until Eric from Crush approached us... We're so glad he did!"

Alejandra Dominguez, Switchboard Cafe, Salt Spring Island, BC

"...completely modernized the site while keeping its identity, its history and the content I care about."

Vincent Cheville, Volcano Explorer, La Réunion (translated from French)

Yours, start to finish.

What you own

The site and every file, in your name.

Your photos, member stories, courses and contact details carry over.

No commitment on anything monthly. Cancel anytime; the site stays yours.

When the site is live	$1,100

All prices in US dollars.

When you want more.

Small changes stay free, so you never need a plan to keep your site right. These are for when you want us working on it every month: no commitment, cancel anytime.

Questions.

Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

Is it secure?

Yes. There's no WordPress and no plugins to keep patching, the usual way small-business sites get broken into. It runs on modern hosting with SSL, and every version is saved, so any change can be rolled back.

Who owns it?

You do. The design and every file sit in your name. Your domain stays with you; nothing of ours renews unless you ask.

How do I make changes?

Text or email me the change. For the first 30 days, anything you send is live the next business day. After that, small changes stay free, done within the week: a price, a photo, your hours, a line of text. Something new, like a page or a feature, gets a price before we touch it, or a monthly plan covers it.

When do I pay?

Half ($1,100) when you say go, the rest ($1,100) when the site is live. You've seen the homepage before paying anything.

Does the membership portal change?

No. Every Join button still goes to your current checkout, and the members' portal, logins, recordings and Gathering RSVPs keep working the way they do now.

What about new courses and events?

Then the site changes with it. A new course, a summit or a Gathering is easy to add, and I'll load your current courses and membership details into it as part of the build.
